HOW DOES THE EXPEDITION LOOK LIKE?

The journey consists of several stages, beginning with the breathtaking mountain landscapes around the Alila Jabal Akhdar. Overcome your fear of heights and conquer the Via Ferrata.

Next, starting from the base camp called "Canvas Club North Camp," you will embark on a trek through the desert for several days. Far from civilization, you will be surrounded by towering sand dunes. Engage in profound conversations around the campfire.

The Rub Al Khali will be your home for the upcoming nights, as you continue your desert adventure.

The grand finale will take place at the Canvas Club South Camp. From there, enjoy a few remarkable days at Alila Hinu Bay. Explore the depths of the ocean by diving to the sunken shipwreck, and observe the beauty of wild dolphins.

BEYOND BOUNDARIES

Most trips to Oman focus on Muscat or Salalah. But there's a vast desert in between called the Rub al Khali. The Oman Expedition connects these highlights for an epic adventure.

DAY 1 WELCOME TO OMAN!

When you arrive in Muscat, you'll be greeted by the enchanting charm of The Chedi Muscat. Set in a beautiful garden with stunning sea views, it's the perfect place to relax before your expedition. In the afternoon, we'll meet at the Chedi Club Lounge for an intro meeting, followed by dinner at The Beach Restaurant.

DAY 2-4 JABAL AKHDAR MOUNTAINS

Our tour starts with a drive to Jabal Akhdar Mountains, where we'll stay at Alila Jabal Akhdar Hotel, overlooking the mountain canyon. We'll do high-altitude climbing on Via Ferrata and hike through mud villages. An Omani astrologer will tell us about the night sky and Arabian mythology before we head to the desert.

DAY 4

WADI HAWER AND OUR START AT CANVAS CLUB NORTH CAMP

We start in the mountains and make our way to the Sharqiyah Desert. On the fourth day, we'll cross the Rub al Khali desert. But first, we detour to Wadi Haver Oasis for a stunning trek. After that, we camp in the dunes of Sharqiyah Desert at Canvas Club Private Camp. The next day, we get training for driving on sand and dune bashing before starting our crossing.

DAY 5-8

CROSSING THE RUB AL KHALI DESERT

After breakfast, we embark on a longer journey to Fahud, where we refuel the vehicles. The desert crossing begins, lasting four days through the diverse dune landscapes of the North and South sections of the "Empty Quarter," the Rub al Khali, the largest sand desert on Earth.

The sand dunes reveal their various shades, from a golden glow at sunrise and sunset to a deeper, reddish hue in the afternoon. The gentle arches and sharp crests of the dunes are shaped into a surreal and seemingly endless backdrop solely by the winds.

We set up our camp at the most beautiful locations, far from civilization and light pollution, with camels as our only companions.

DAY 8

CANVAS CLUB SOUTH CAMP

On the last day, we reach the Canvas Club South Camp by evening, situated directly at one of the highest dunes in the entire region. We spend the last night, as did the first, in comfortable tents, reflecting on the experiences of the past days together.

DAY 9-11

OMAN'S BEAUTIFUL GREEN SOUTH

The destination of the expedition is the green south of Salalah, which we reach in the afternoon. Located on the azure blue shores of Oman's southwest coast, Alila Hinu Bay serves as a serene retreat. Enjoy the pristine private beach and water world with activities such as whale and dolphin watching or diving, allowing the impressions of the past week to sink in before embarking on the journey back.
